

"Boy, she was really trying to make you insecure."
"I know. If I didn't have such low self-esteem, she might have gotten to me."

you're
always
so close

sitting and sobbing on the break room can
my face is flushed and my makeup ran
take it on the chin, you're a big tough girl
your stones in my stomach make me wanna hurl

you got me crying in my car
crying in my car
calling up my partner over my lunch hour
crying in my car
crying in my car
why does it hit so close when i've come so far

SO WHATCHA WANT

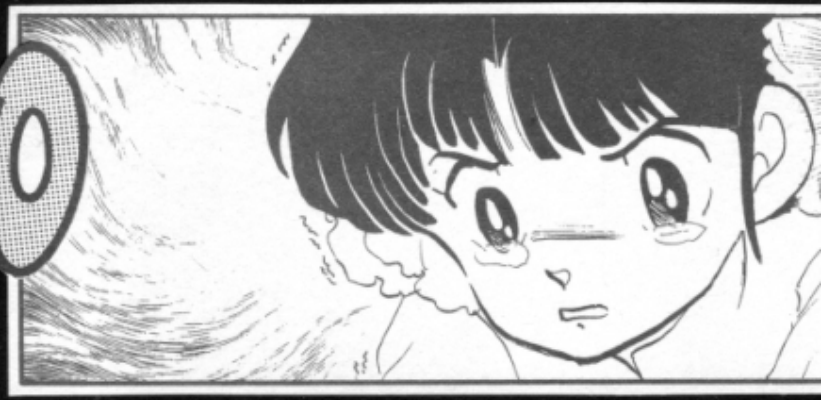

YOU'RE SO CASUALLY CRUEL I FINALLY UNDERSTAND

I'LL SEE THAT YOU LOSE

NO

EVERYONE ELSE'S FRUSTRATION & I WAS A FOOL TO THINK YOU'D BE ANY DIFFERENT WITH ME!

you

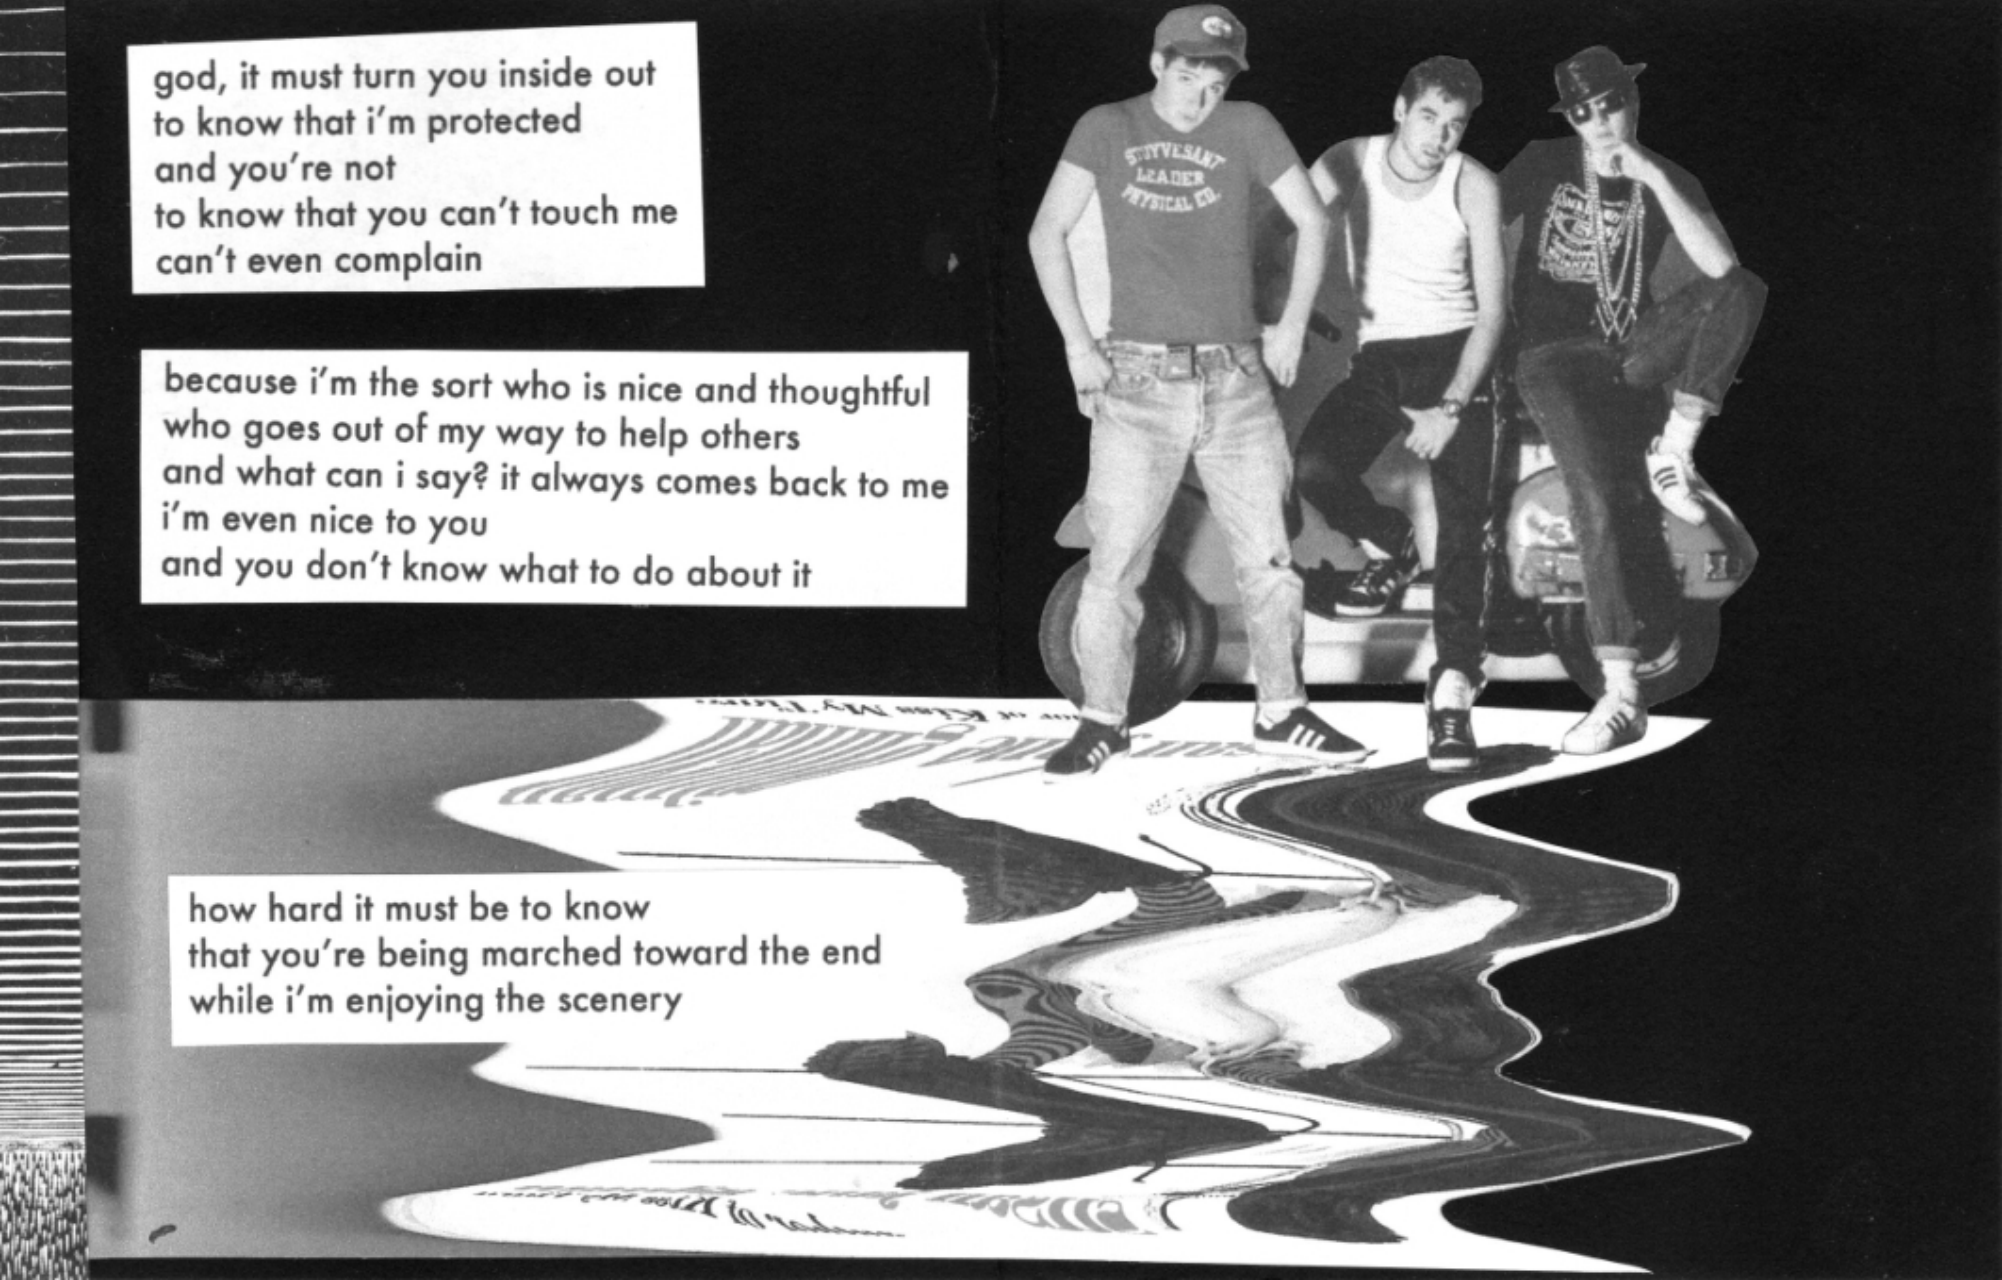

suck

low-res

baby

god, it must turn you inside out
to know that i'm protected
and you're not
to know that you can't touch me
can't even complain
because i'm the sort who is nice and thoughtful
who goes out of my way to help others
and what can i say? it always comes back to me
i'm even nice to you
and you don't know what to do about it
how hard it must be to know
that you're being marched toward the end
while i'm enjoying the scenery
